REQUEST

Box PCT
Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicant respectfully requests that the attached copies of the nine drawings
be included with the above-identified patent application.

This application is the U.S. National Phase of PCT/AU98/00635. Our file copy
of the application has nine drawings. Applicant's records reflect that copies of all drawings
were sent with the application. However, when we received the return receipt post card, a

copy of which is attached, a hand written note stated that only three sheets of drawing were received. No formal notice of a defect in the application has been received.

A telephone call to the PCT Office on March 27, 2000 suggested that sending the drawings to this office would correct this problem. Applicant requests that these drawings be placed into the file of this application.

The Commissioner is hereby authorized to charge any additional fees which may be required to Deposit Account No. 07-2069. A duplicate copy of this sheet is enclosed.

If there are any questions or problems with this request that can be solved by telephone, the reader is invited to telephone the undersigned at the telephone number below.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
